

# At Home With Hope Landing

Charlotte's Premier Assisted Living Community

## March 2018

Oh my goodness, when is spring going to arrive? We are so ready for porch sittin and fun outings and we're getting a little impatient. Come on Spring!! In the meantime, we have been pretty busy, so grab your beverage of choice and let us show you what we have been up too since our last visit.

## Armchair Travels

We wrapped up our "Trek Across the Upper Peninsula". We went all the way up to Copper Harbor then back down to Porcupine Mountains, over to Iron Mountain and ended our adventure in Escanaba. We learned some really neat stuff about this beautiful place so many call, "God's Country". We are taking a little break to figure out where we want to go next.

## Happy Birthday

How cool is it when you stop by for a visit with mom and score a birthday pie? Happy Birthday Chuck!! See you soon for some more beautiful music.

## Thursday Night at the Movies

Our last movie night was not a "Ladies PJ Party", but an "everyone is invited" movie night. We didn't get everyone to join in but those that came enjoyed another great comedy. The movie we watched was "Sister Act 2" with Whoopi Goldberg. It was a follow up to "Sister Act" that we watched a few weeks prior. It was a good comedy. We brought the furniture from the living room to the Activity Center once again. It really makes for a relaxed and comfy atmosphere. We snacked on popcorn and lemonade and had a lot of laughs. Our next movie feature is the great Robin Williams comedy movie, "Mrs. Doubtfire", which we will watch at our next "Ladies PJ Party" in April. Can't wait to share this great comedy with all you the ladies.

## Women's Tea & Luncheon

The ladies of Hope Landing were treated to a Women's Tea and Luncheon thanks to Nanette Podany and the Ladies Coffee Club. The ladies were treated to some delicious food and great conversation. We set up the event in the Activity Center thinking it would be a small crowd attending. Boy, were we wrong!

It was a tight squeeze, but we made it work and the ladies loved it! Thank you to the Ladies Coffee Club for your love and kindness!

## St. Patrick's Day Craft

A relaxing afternoon of coloring and crafting.

Finished project – Pot of Gold Door Hangers!

## Music

We continue to enjoy the new music of Marty Noss. Marty's style is easy listening and easy to sing along with.
