

# At Home With Hope Landing

Charlotte's Premier Assisted Living Community

## June 2018

Ahhh, summer! 😊 So many exciting things to do; cookouts, planting flowers, road trips, lunch outings, music shows, and so much more. Don't forget to drop by and share a glass of something cold, some memories or just catch up on the latest news. Right now, go grab your favorite beverage and let's see what is happening at Hope Landing.

## Update on New Facility

The new facility, "The Haven" is coming along marvelously! It won't be long now! Check us out on Facebook. Pictures coming soon.

## Game Time

Thank you to Tammy Weissenborn; her wonderful staff and all the students who came to play Bunco with us.

## National Jr Honor Society

We truly enjoyed our time with the National Junior Honor Society students from Charlotte Jr/Sr High School. We talked about their academic and athletic likes and dislikes and about what they see for themselves in the future. Afterwards, we played some bingo. We hope they will come back to visit again.

## Ladies PJ Party

Time for our Ladies PJ Party! Woot, Woot!! The Ladies PJ Parties are a great time to get together, share a snack, beverage and lots of laughs. Join us on Thursday, June 28 @7pm for "**Mama Mia**" with Meryl Streep. This musical comedy is hilarious and a great movie for all. How about we have a "Cutest Pajamas" contest as well!

## Ladies PJ Contest

So ladies, we are going to find out who has the cutest jammies! Dig out those super cute jammies and wear them to the **Ladies PJ Party on June 28**. Everyone will get to vote for their favorite and someone will win a prize. This will be fun!!

## Color & Relaxation

You know sometimes you just need an afternoon of quiet and relaxation. And that is what we did. We pulled out the adult coloring books and picked the picture we wanted to color and just sat down with no background noise, enjoyed the company of friends and the joy of coloring again.

## Pastels & Inspiration

Artist, author and a woman of God, Alice Hammond is nothing short of amazing. Alice, who hails from Indiana, is a beautiful soul who spent some time with us recently sharing her faith stories of inspiration while creating a beautiful chalk drawing. She has authored two books which I would highly recommend – “Living Beyond Present Circumstances” and “Soaring Above Present Circumstances”. She is such a beautiful person and we felt blessed that she came to visit.
