

# At Home With Hope Landing

Charlotte's Premier Assisted Living Community

## April 2019

The calendar says it is "Spring", but I think someone forgot to tell Old Man Winter and Mother Nature. But it's all good, because we know that warmer weather is just around the corner and that means getting outside more and enjoying some fun outings.

## Recalling the Fun

We had another great "Movie Night". We watched the movie, *"For Richer, For Poorer"*. It is a great comedy/romance movie and the ladies really liked it.

We also had a great time watching and cheering for our MSU Spartans Men's Basketball Team during the NCAA Tournament. The kitchen staff was so awesome. They prepared and served the evening meal to those watching the game in the Activity Center.

## Crafts & Holidays

We welcomed spring with a cute flower craft project; and we celebrated St. Patty's Day with a Shamrock suncatcher craft and a party with trivia, bingo and a raffle.

## Recalling the Fun continued

We are starting to venture out now that the weather is improving. We went for a drive and visited some Amish stores; and a few individuals went to the Charlotte Performing Arts to see a wonderful production of *“Beauty and The Beast”*.

## Easter Bunny Craft

## What's Coming Up

Well, we have some new entertainers including Fred Navarro and Larry Eberly. Fred does a variety of oldies, but goodies and Larry is part of the ministry, *“I am His, Are You?”* and will be bringing us some wonderful gospel music. We are also thrilled to announce that starting in May, we are adding *“Love on a Leash”*, a new group of therapy dogs to our lineup of entertainers. And no need to worry, Ms. Abby and Sandy will still be visiting us once a month.

Spring is here and we are making plans for lunch outings, trips for ice cream, day trips to some fun places, cookouts and our next big event; Mother's Day Celebration! More details coming soon!
