

At Home With Hope Landing

Charlotte's Premier Assisted Living Community

July 2019

Well, summer is in full force with warm temps and lots of sunshine! And we have been pretty busy with outings and activities such as: the Bluegrass Festival, Fourth of July celebrations, Senior Day at the Eaton County Fair, Afternoon Tea, crafts & music. Grab a glass of something cool and enjoy this month's newsletter.

Reminder:

Family Picnic on the Lawn

It's time for the Annual **Hope Landing and The Haven: "Family Picnic on the Lawn"**. We have a great afternoon planned with yummy picnic style food; musical entertainment by Dave Dickerson, the "**Louisiana Cowboy**"; the Barnbusters 4-H group will be here and we are excited to have with us, Ms. Wilma Quist, who is well known in West Michigan for her fabulous "**Minnie Pearl**" comedy act.

You should have received an invitation by now and hopefully you have RSVP'd already. The event is **August 2 from 12:30-3:00pm at Hope Landing**. We can't wait to see your smiling faces!! See you in the country!!!

Bluegrass Festival

A great time was had by all who attended the Eaton County Bluegrass Festival in June. This is our 3rd year attending and each year it gets better.

Just look at this great group of folks!

Senior Day at the Eaton County Fair

Senior Day at the Fair. What does it mean to those who attend? Well, I believe it has less to do with the entertainment and food and more to do with finding old friends and catching up. It was such a joy to watch the interactions, smiles, and sharing memories. Thank you to Amber and Misty, part of our great staff at Hope Landing, who went along with us and thank you to our residents for allowing us to share in your joy! And, thank you to the awesome Hope Landing kitchen staff for making the yummy cookies that were enjoyed by all who attended Senior Day!

4th of July Celebration

What a day we had celebrating the 4th of July! We were treated to a hot dog roast provided by Brad & Valerie Smith; had fun playing Bingo; enjoyed some beautiful patriotic songs with Chuck Jenson and then headed outside for the most spectacular fireworks show ever!! Thank you to Joel for putting on a great show and thank you to all the staff who helped make our 4th of July a great success!!

Afternoon Tea

Our volunteers at The Haven, Lisa Brady & Sue Hawkins, are so AWESOME!! They put together an afternoon tea and invited all the residents of The Haven to partake. They had a very nice turnout. They spent the afternoon sharing tea, cookies and memories. These ladies are so wonderful; and we feel so fortunate that they chose our facility to volunteer their time. Thank you so very much for being a part of our team!! 😊

Woolly Mammoth

A couple months ago a past resident's family member asked if he could bring in a Woolly Mammoth tooth that was found by his mother on the family farm about 45 years ago. It was fascinating to see and touch this piece of history and it left us in awe to think that a Woolly Mammoth actually lived in our area so many years ago. Thank you to Gary Pruden for sharing this local piece of history with us.

News Flash!!

Hope Landing Parking Lot

The parking lot at Hope Landing is scheduled for repair and will be back in tip top shape in the very near future. Yeahhhh!

Decorating your Space

I would like to encourage our residents and their families to decorate the hall tables outside their rooms. We love to see what you come up with and we might even have a contest for the best decorations. I think Room 119 wins for the best "summer" décor. What do you think?
