

At Home With Hope Landing

Charlotte's Premier Assisted Living Community

December 2019

Wow, the last newsletter of 2019. This past month has been super busy and a lot of fun. The old saying "a picture is worth a thousand words" is so true. Every visit from family, friends (human or furry) and talented singer or musician touches our heartstrings and we feel fortunate to spend time with them. Thank you for making 2019 special for us all. We hope you enjoy all the memories we have made together and are looking forward to 2020.

The decorations outside each resident's room adds that "right at home" feeling.

Adopt a Family

Is there any better feeling than knowing that you were able to make Christmas merry and bright for someone you don't even know? It's different from giving to your own family. Most of the time you get to see and feel the excitement and the love when they open their presents. When you "adopt a family" you don't get to be there in the moment, see that real life, one on one reaction, but your heart feels it and it feels good! Our "family" at Hope Landing and The Haven opened their hearts and gave with such generosity and love that we were able to raise **\$970** to help 2 families in our area have a very Merry Christmas. Thank you, thank you, thank you to everyone who donated money and time; to make sure our 2019 **"Giving Hope"** Adopt a Family program was a huge success. You guys are awesome!
