

# At Home With Hope Landing

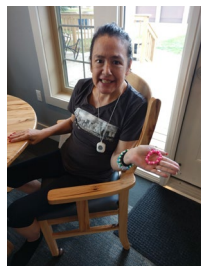

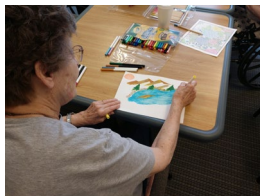

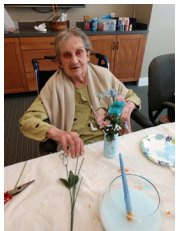

Charlotte's Premier Assisted Living Community

## January 2020

Happy New Year!! I have a feeling that 2020 is going to be another great year at Hope Landing and The Haven. 2019 brought us lots of good times and great memories and although I don't know what is in store for 2020; I do know that spending it with all of you will be the best time ever. Thank you for making 2019 great and I hope you enjoy looking back at all the fun we had!

## 2019 in Review
