

At Home With Hope Landing *Charlotte's Premier Assisted Living Community*

February 2020

Well, February is bringing the snow that December and January forgot, along with much colder temps. But that's okay, the groundhog *did not* see his shadow, so we know spring is just around the corner. Speaking of Groundhog Day, did you see our Facebook post about the poll we took and our winners? If not, then you are missing many great things happening at Hope Landing and The Haven. Be sure to "Like" our page and stay up to date. Now let's see what kind of mischief we have been up too. Lol!!

Activities

Music Bingo

I am sorry that I didn't get any pictures of this activity, but promise to share photos and a video on Facebook the next time we play. It was a lot of fun! Our host for Music Bingo was Tammy from Grace Hospice. She is wonderful!

How do you play the game you ask? It's very simple. Each player gets a "Bingo" card with names of songs on it. The host plays a CD with snippets of the songs. If you have that song on your card you put a bingo chip or in this case we used cute little "smiley face" emoji erasers. The really cool thing is each person can "Bingo" 3 times and win prizes each time. And they can continue to play until their card is completely covered and win a coverall prize. So everyone is a winner, several times!! Can't wait until Tammy returns for another round of Music Bingo!!

Valentine Crafts

The ladies had a wonderful time making these Valentine banners for their doors.

Door Cards

Handmade Valentine cards

We would like to thank Jeanette, the wife of one of our residents, who came in to do some crafts with our ladies and "gentleman". Thank you Jeanette! They really enjoyed spending time with you.

Fun & Relaxation

Wii Bowling

It has been awhile since we have played Wii bowling. The folks are really having a good time and it is great to see so many talented players. We may have to start a Wii Bowling tournament. 😊

just be looking for something to fill a void for a short period of time. We never know how long they will be a part of our lives, but one thing is for sure, they always come just when we need them. And right now we are blessed with a ***“family of angels”*** - the Lautzenheiser family. Brian & Jackie wanted their children (all 6 of them) to experience giving back in their community and they chose us to bless. We are in the “cabin fever” time of winter with the cold and often dreary days keeping us inside; so their smiling faces and fun attitudes surely brighten our day. Thank you for being a blessing!!

Nails & Massage

Every Tuesday is Nail Day at Hope Landing and the list is always long and the wait can be a while. Well, we have added a new attraction to ***Nail Day*** that will help pass the time and work out some of those kinks and it's not just for the ladies! FREE massages offered by certified massage therapist, Shawn Sear. Once a month Shawn will come and give a FREE neck, shoulder, arm or hand massage to any resident who wants one. Everyone is raving about how wonderful their massage was and can't wait for her return. Thanks Shawn!!!

Valentine's Day

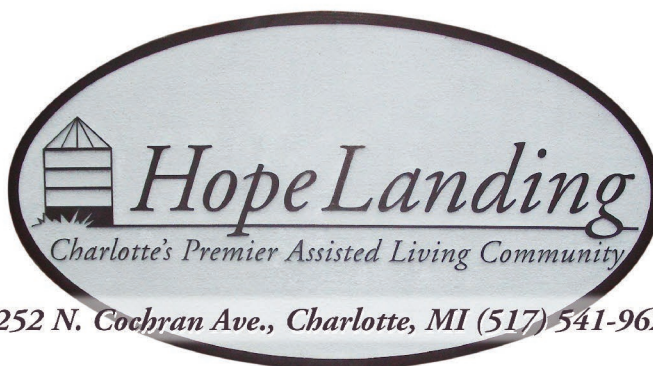

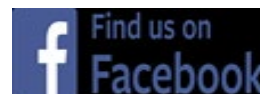

Valentine's Day for us was all about companionship, lunch and Bingo! We headed out for our monthly lunch date where we enjoyed some great food and good company and then it was back to the homefront for an afternoon of BINGO and big winnings!!! What a great day we had!

Angels Among Us

At Hope Landing and The Haven, we are truly blessed to have so many “angels” who give of their time and talents to make the quality of life for our residents the best it can be. Some are family members of a resident, who may come on a regular basis, while others may
