

At Home With Hope Landing

Charlotte's Premier Assisted Living Community

April 2020

The past month has tested us and helped us to grow in many ways. With the "Stay Home, Stay Safe" order issued by our governor due to the Coronavirus, the staff at Hope Landing and The Haven are doing what is necessary to keep you, our residents, safe and healthy.

We are learning to expand our horizons, get out of our comfort zones and do things we normally don't do, just to make sure everyone has a good "quality of life" day.

And we want to thank all our residents and their families for your patience and understanding during this time.

*A huge "thank you" to our awesome team at Hope Landing & The Haven!
We love and appreciate you all.*

Special Thanks

Thank you to the Kineman family for the donation of a Facebook Portal at The Haven. We now have a way to video call with families. If you have a family member at The Haven and need info on how you can video call with them, please contact us.

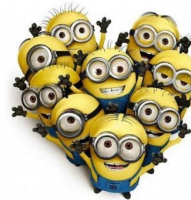

Thank you to Riedy's Pizza for the donation of pizzas, salads and breadsticks for all of our hardworking staff.

And thank you to all the ladies in the community who made and donated face masks to Hope Landing & The Haven for our caregivers and residents. We appreciate your love & generosity!!

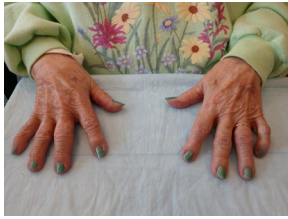

THANKS A MINION!

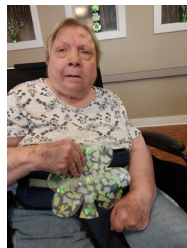

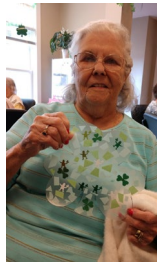

St. Patrick's Day Happenings

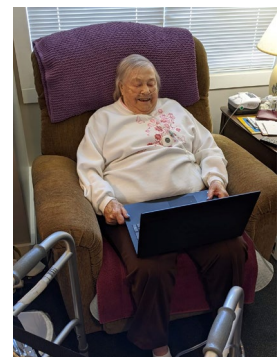

The ladies got right into the spirit of St. Patrick's Day with their green nails!

Virtual Visits During Social Isolation

We are especially thankful for the wonderful way technology can keep us connected to loved ones during this time of social isolation. Being able to communicate via phone is just one way we can stay connected. As you read on the previous page, we have a Facebook Portal at The Haven for virtual visits with family and now we have "Zoom" a video conferencing service at Hope Landing. It can be used to video call with family and we have had a couple families take advantage of it already. If you have a loved one at Hope Landing and want to set up a video Zoom call with them, please contact us and we will be happy to make that happen. Also, to all the families of our residents, please encourage your family members to send cards and letters. We all love getting mail from family.

Love these Shamrock Suncatchers

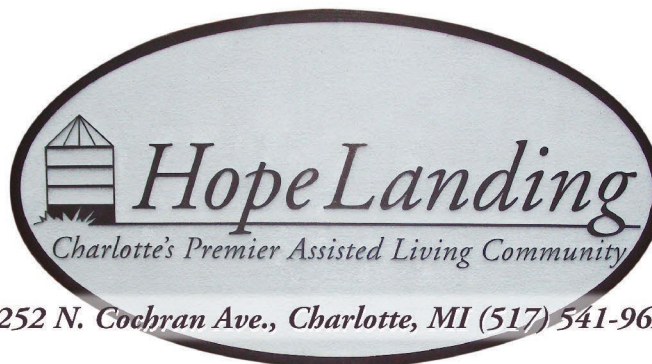

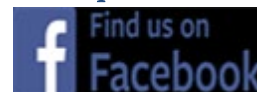

These smiles are priceless.
Let's keep them coming!
