

At Home With Hope Landing

Charlotte's Premier Assisted Living Community

July 2020

Well, summer is definitely here and I found some fun facts about the "Great Heat Wave" in Michigan. It was 1936 and it was the hottest, longest stretch of hot weather on record. It started on July 7th 1936 in Grand Rapids with a high of 98° and only went up from there. The high/low's for the next 11 days were as follows: the 8th 101/78, the 9th 101/78, the 10th 102/78, the 11th 99/78, the 12th 106/74, the 13th 108/79, the 14th 102/74, the 15th 86/69, the 16th 94/65, the 17th 93/67 and the 18th 91/69.

Here are the highs for other areas in Michigan during that time period. Detroit:

89,104,102,102,101,100, 102,104,87,90,89,89.

Flint: 94,108,105,102,104,105,108,105,91,91,91,92

Saginaw: 98,107,104,107,107,105,111,92,95,96,87

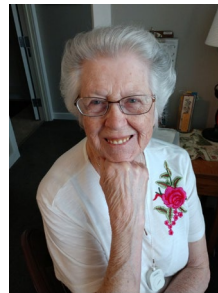

It was not any cooler in northern Michigan as temperatures during this same time period ranged from 81-107 degrees in Alpena, Houghton Lake and even as far away as Sault Ste Marie.

So, even though it could be hotter, we are thankful that it isn't. We hope that you are staying cool, hydrated, and safe and we can't wait until we are able to welcome you back to Hope Landing and The Haven.

Looking Forward

So we asked our residents, *"What are you most looking forward too when the Coronavirus ends?"*

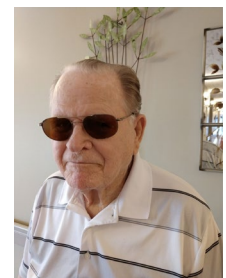

"Spending time with family and going shopping"

"Going to the Pub to eat with my son and gathering with my friends at Hope Landing for lunch and games"

"Sitting on the front porch enjoying the warm weather"

"Going to Arizona to see my son"

“Looking Forward” continued

What are you most looking forward too when the Coronavirus ends?

Getting outside;
going to Mooville,
and seeing family.

Going to the farm;
getting outside; and
enjoying the sunshine
& fresh air.

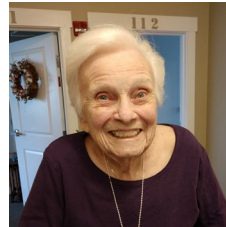

Sitting on the front
porch and seeing my
granddaughters.

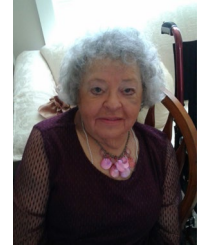

Going to garage sales
and auctions!

Heartfelt Condolences

Our thoughts and
prayers are with the
family of Alice Ward.
Alice was a private and
strong-willed woman, but
she had a very kind heart.
She made

sure she told you daily how much it meant and
how she appreciated your help and kindness.
She loved to read and visit with others and she
loved her cats. She will be dearly missed by all at
The Haven and Hope Landing. Until we meet
again Alice, rest in peace.
