

At Home With Hope Landing

Charlotte's Premier Assisted Living Community

January 2021

HAPPY NEW YEAR!!!!

Well, we moved into 2021 with no fanfare. It was strangely odd; not celebrating and welcoming in the new year as usual. If there was ever a "year" that we could not wait to say goodbye too, it was 2020.

But even as bad as things appear, we can always find something to be thankful for. And here at Hope Landing and The Haven we are thankful for our staff who work tirelessly with love, patience, and compassion and always with a smile on their face. Secondly, we are thankful for our residents, who have been real "troopers" for the past 9+ months by adapting to the changes and learning to "go with the flow". You help keep all us workers encouraged. THANK YOU SO MUCH - YOUR ROCK!! And lastly, we are thankful for the families who have been patient and understanding as things have changed and unfolded; and new guidelines and restrictions have been put in place.

We know that this has not been easy for any of you, and we want you to know that we truly appreciate your sacrifices, your words of encouragement and your acts of kindness. We are hopeful that 2021 brings relief from the virus and brings us all back together again.

Remembering 2020

2020 was a wild ride for sure!! Things started out on a normal note and then suddenly nothing was normal. We had to adjust to the new dining layout, learned how to set up bingo in the hallways, distanced ourselves for exercise and got out of our comfort zones for the greater good of others. Now, I'm not saying that it has been easy, but we did what was necessary to keep everyone safe and so far it has paid off. We know that things will one day return to normal and we will once again be sharing meals, playing games together, visiting with friends and family, and going out for lunch and ice cream. We thank you for your patience and hope you enjoy these pics from 2020.

We did manage to get in a few craft projects in 2020

We even got in some Wii bowling early in the year.

Thank You to our Great Community!

And lastly, we want to say “thank you” to our awesome community! We have received so many nice cards and notes from 4H children, children from our local schools, honor students and gifts from family and church members. We were also blessed with carolers singing outside our dining room and a “flash mob” including Santa and The Grinch right before Christmas. You all don’t know how much these acts of kindness mean to our residents and the staff. So, thank you from the bottom of our hearts and may God bless you in 2021!!

Live EVERY MOMENT,
Laugh EVERY DAY,
Love BEYOND WORDS.

Let’s make this our motto
for 2021!!!
