

At Home With Hope Landing

Charlotte's Premier Assisted Living Community

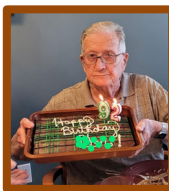

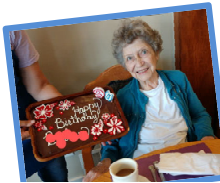

June 2021

Well, summer is here!! Lots of sunshine and hot, humid weather. But we are not going to complain though, because summer never seems long enough. We are still holding out hope that we will be able to go out for lunch, ice cream; and have our 4th of July celebration, but we haven't received the "green flag" yet, so we are keeping ourselves occupied with crafts, games and movies. We hope you have some fun things planned for your summer and we hope you enjoy this month's newsletter!!

Back to Doing What We Love

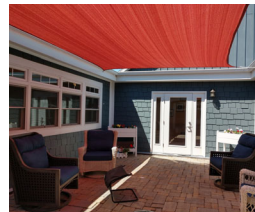

We are finally back to what feels almost normal again. We are eating meals together, celebrating birthdays, playing games in small & large groups and watching documentaries and movies again.

And speaking of birthdays; these wonderful folks all celebrated a birthday recently. And even though we said it already, HAPPY BIRTHDAY TO YOU again!!!

Seems a little Shady

At Hope Landing we have this really nice outdoor area, known as the "Courtyard". There are comfy chairs, beautiful flowers and it is very peaceful. It is a great place to hang out with friends, take a siesta, read the newspaper or a book and play games. There is just one problem, no shade. And when the temps rise and the sun beats down, it isn't very enjoyable. Well, that has all changed! To our surprise and delight, a beautiful shade cloth has been installed that will protect the furniture, the plants; and the humans who want to venture out for some fresh air. This has improved the look and feel of our "Courtyard" immensely and we are ecstatic! Our heartfelt thanks to Lyle and Joel for purchasing and installing this great shade cloth for our enjoyment.

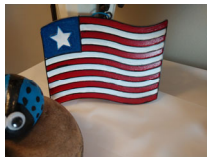

Dominos & Puzzles are Back

It seems like ages since we have been able to play Dominos or put together a puzzle with friends. It is so nice to see everyone enjoying each other's company again.

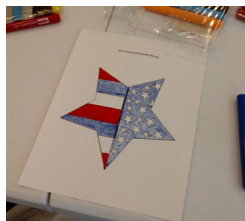

What superb **Patriotic**
decorations we have going on here!!

And here are the ladies working on
their Patriotic crafts!

It is with a heavy heart that we say “goodbye” to a wonderful man – Jack Kineman. Jack was a quiet man who loved nature and family. Before the pandemic put a halt on things, he truly enjoyed his weekly outings with his son. We are going to miss his smiling face and sweet charm. Please keep his family in your thoughts and prayers. Till we meet again, may you soar high on angel’s wings. RIP Jack.

“Thursday Night Movies”
are BACK!!

It has been a long year without our monthly “Thursday Night at the Movies”, and we are excited to get back to them. We kicked things off with “*Fiddler on The Roof*”. I was surprised at the number of people who have never seen it, myself included. It is a great musical, and if you haven’t seen it, you definitely should. But be warned, it is long and that’s no exaggeration.
