

At Home With Hope Landing

Charlotte's Premier Assisted Living Community

January 2022

It is a New Year for all of us in the Hope Landing community. We have had lots of changes, lots of laughs, and lots of love already in 2022. We have had a change in management, promoting our 2020 Caregiver of the Year, Amber Daily, to our Day Shift Supervisor! She is continually leading our team with her drive, accountability, and never-ending selflessness while taking care of our residents!

With all of the changes also comes a sense of 'normality' we have been longing for! Brittany Robinette has been helping to fill the large shoes Natalie left, putting on activities again for the residents to enjoy together! The beloved Bingo days, Bunco, Dominoes, and even Bible Study are back in action!! We are eating meals together in the dining room- a once seemingly simple pleasure that we have missed so very much. We enjoyed the holidays- We ate great food for Thanksgiving, creating personalized stockings, got some puppy cuddles, and had Holiday Spirit Week!

We even have had Marty Noss come back in to serenade us- and we cant wait for the weather to get warmer to do even more of the things we have been missing!

Are there any activities you have been looking forward to getting back to?

Please enjoy some of our Holiday photos!

Condolences

While we have been enjoying Wintertime activities, the new year started out in a bit of a whirlwind. On January 12th, we lost a dear soul, Chere Dymond.

Chere Dymond; a staple at the after-meal domino table, a die-hard Spartans fan, a lover of the Eaton Place Restaurant, a beloved friend, and beautiful reminder of what a caring person could be.

Chere was with us at Hope Landing for 8 years. In that time, she created life-long bonding relationships with not only the staff, but many residents. If Chere was doing it- so was everyone else! She was a voice for the group- influencing and bringing to life new ideas for exciting activities all could enjoy. She was a beam of sunshine, creating a warm atmosphere that made Hope Landing home.

She will be eternally missed by all that knew her. There is a void in our hearts, but we know she will be cheering at the MSU games loudly with us in Spirit!

Please send kind thoughts and prayers to her family as they deal with this difficult loss.
