October 2022

As the leaves begin to change color and the cool air sets in, I think it's safe to say fall is officially here!

Do you know why the season is called "Fall"? About 500 years ago, when Middle English was spoken, expressions like "**Fall of the leaf**" and "**Fall of the year**" were quite common, and the season name was shortened to "**Fall**".

We enjoyed some cute fall decorations! We made Button trees. How cute!!

We are excited to be able to have Willie come back and play all our favorite songs!!!

Look at those smiles!

Some residents even joined in and played!

The great outdoors

We've had some exceptionally nice weather this October! So thankful we were able to get out go for a walk and enjoy some sunshine! We sat and talked reminisced about the past.

Remembrance

Remembering Mary... We'd like to share some fond memories of Mary and her time at The Haven.

"She was very kind and loving. She was also full of personality and sassy!"

"Mary loved to watch golf on tv, her daughters said that when her husband was alive, they would golf as much as they could."

"She loved to do the crossword puzzles in the newspaper but only if she had the day before newspaper so she could "check" her answers."

"She loved making music for all the residents by banging on the walls." 🎵

"The world changes from year to year, our lives from day to day, but the love and memory of you, shall never fade away."

Saying Goodbye

As October comes to an end, we said goodbye to a wonderful lady, our Director of Food Service and Operations FranCee.

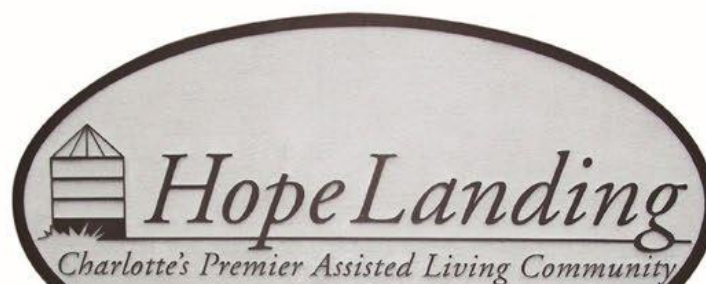

FranCee came to us in 2012 and has created the amazing kitchen program we have today! She is greatly loved and will be missed by us all! Happy Retirement FranCee!!!

Though we are sad to see FranCee leave, we have some exciting news! Please help us congratulate Ashley as our new Director of Food Service and Operations

Ashley has been with the company for over 6 years! She has served on nights, she has served on days, she has performed care and she has worked in the kitchen.

She has perennially been one of our highest value performers. While FranCee certainly leaves some big shoes to fill, we are confident Ashley will step up to the challenge! Congratulations Ashley!!
