Hope Landing & The Haven

March 2025 Edition

Marching into Spring with Smiles & Sunshine

As the snow began to melt and the first signs of spring peeked through, Hope Landing and The Haven were buzzing with warmth, connection, and creativity. From themed crafts and spirited games to music, popcorn, and pampering, this month reminded us just how vibrant community life can be.

March Highlights

Games Galore

We kept things lively with Uno, Bunco, Sorry, and our resident favorite — Bingo! Thank you to Maddy, Pam, and Jan for keeping the fun rolling all month long.

Popcorn & a Movie

There's something special about a good film and warm popcorn. Our movie afternoons brought comfort and connection to cozy days.

St. Patrick's Day Crafts

We brought out the green, gold, and glitter for a day of festive fun. Residents created rainbows, pots of gold, and shamrocks on canvas that turned our spaces into a celebration of Irish cheer.

Live Music Moments

Ross Koning brought the luck of the Irish with his St. Patrick's Day performance, Marty Noss returned to share his gift of music with both communities, and we tried a new virtual music therapy program that was a big hit. These visits continue to bring light and lift spirits every time.

Self-Care with Nail Care

Pampering days were a hit once again, giving residents a relaxing way to treat themselves and enjoy some one-on-one conversation.

Spiritual Connection

Thursday Bible studies remained a cherished part of our weekly routine, offering peaceful reflection and fellowship.

Resident Spotlight

This month, we're shining the spotlight on two people who bring warmth and wisdom to our community — Ron and Norma. Their love for those around them is inspiring, and their kindness leaves an impact on everyone.

Ron is always quick to share a smile or strike up a meaningful conversation. Norma's gentle presence and thoughtful heart have made her a fast friend to residents and staff alike.

Whether it's music, a meal, or a quiet moment in the common area, Ron and Norma bring comfort and joy to every day.

We're grateful to walk this journey with them.

welcome

Team Member Spotlight

Congratulations to Jordan, our March Team Member of the Month! Jordan consistently shows up with a calm, positive presence and a heart for our residents. Whether helping a teammate, comforting a resident, or simply being a dependable part of our daily flow, Jordan leads by example.

Their steady approach and quiet leadership don't go unnoticed. It's clear Jordan truly cares about the people we serve — and we're so grateful to have them on the team.

Thank you, Jordan, for everything you bring to Hope Landing!

We were thrilled to celebrate Dorothy's birthday with lots of love, sweet treats, and festive decorations. Happy Birthday to Dorothy — it was an honor to celebrate with you!

Fun Fact of the Month

March was named for Mars, the Roman god of war — but the only battles here were over Bingo wins and who got the last cookie!

Joke of the Month

Why is everyone so tired on April 1st?
Because they just finished a march!

With Gratitude

To our residents, families, volunteers, and team — thank you for filling this community with joy, patience, love, and laughter. As we step into spring, we're reminded again that the best part of Hope Landing is the people.

With warmth,
The Hope Landing Team
