## Hope Landing & The Haven

April 2025 Edition

### Springing Forward with Joy and Sunshine

As the flowers started to bloom and the sun warmed the days, Hope Landing and The Haven were filled with the energy of a new season. From Easter celebrations to outdoor strolls, creative crafts, and musical afternoons, April reminded us just how much beauty this time of year brings.

Thank you for being part of the heart and soul of our community!

#### April Highlights

##### **Easter Festivities**

We kicked off the month with colorful Easter celebration! Residents enjoyed egg hunt, festive crafts, sweet treats, and quality time with visiting family and friends. It was a beautiful reminder of the joy that traditions bring.

##### **Music Moments**

Music therapy sessions and special guest performances from Marty Noss and Ross Koning filled the halls with melodies and memories. There's no better way to lift the spirit than a favorite song shared among friends.

##### **Spring Crafts**

Our creative sides bloomed this month with decoupage easter eggs and bunny butt door hangers making for festive decorations. The creativity brought a cheerful splash of color to our community spaces!

##### **Volunteer Appreciation Week**

In late April, we celebrated the wonderful volunteers who bring light and love to Hope Landing. Their dedication is truly a gift to all of us! Thank you Pam and Jan! ❤️

##### **Spiritual Gatherings**

Thursday Bible studies continued to be a peaceful and meaningful time of reflection, fellowship, and encouragement.

### Resident Spotlight

This month, we shine the spotlight on Maxine Lowing, one of our newest residents who has quickly become a beloved member of our community. Maxine is warm, friendly, and always ready to share a smile. Though she hasn't been with us long, she's already made a wonderful impression with her kind nature and easy conversation.

It's been a joy to welcome a new face to our games and crafts —Maxine brings a social spirit and cheerful energy that makes every activity more fun. We're so glad she's here and look forward to getting to know her even better in the months to come!

### Team Member Spotlight

Congratulations to Shannon, our April Team Member of the Month! Shannon brings an incredible mix of warmth, dependability, and positivity to Hope Landing. Whether it's offering a kind word, stepping in to lend a hand, or brightening a resident's day with her cheerful spirit, Shannon embodies the heart of our mission every single day.

Thank you, Shannon, for all you do — your kindness and care make a lasting difference!

### Fun Fact of the Month

Did you know? The smell of freshly cut grass is actually a plant distress signal! Fortunately for us, it's one of the happiest smells of spring.

### Joke of the Month

Why are trees so forgiving in spring? Because they always "turn over a new leaf"! 🌳😂

### With Gratitude

To our residents, families, volunteers, and team — thank you for filling this community with joy, patience, love, and laughter. As we step into spring, we're reminded again that the best part of Hope Landing is the people.
