August 2025 Edition

Where Care Feels Like Home

Hello Hope Landing Family,

August brought sunshine, music, laughter—and more than a few competitive rounds of Left-Center-Right! As we eased toward the end of summer, we stayed busy with joyful moments, meaningful care, and fun surprises sprinkled throughout our days.

A colorful **Roll & Color Dice** - who knew dice could be this fun?

Resident Spotlight

We're thrilled to welcome **Rachel**, the newest member of our Hope Landing family! Since moving in, Rachel has brought warmth, kindness, and a quiet confidence to our community. She's quickly made friends during Bingo and Bible Study, and her gentle presence has already become a comforting part of our daily rhythm. Whether it's a kind smile or a thoughtful conversation, Rachel reminds us that new beginnings can be truly beautiful.

We're so glad you're here, Rachel!

In Loving Memory

This month, we said goodbye to four cherished members of our Hope Landing family:

Susan Hine

Art Groner

Sue Goodrich

Loeta Herrell

Each of them brought joy, strength, and love into our lives in unique and unforgettable ways. Their absence is deeply felt, and we hold their families and friends in our hearts as we grieve and remember together.

They will be dearly missed and forever remembered. ❤️

Fun Fact

Did You Know?

The world record for most dice balanced on a cat's paw is 10.

We're not trying it with our hallway visitors—but it's still impressive!

Joke of the Month

Why don't residents ever play cards in the hallway?
Because someone's always trying to shuffle by!

Notes from Joel

August has been a reminder that joy is found in both the extraordinary and the everyday. Whether it's Bingo with a friend, music in the hallway, or a cup of coffee on the porch, life here is made rich by the people who share it. To our staff, families, residents, and volunteers—thank you for being part of this beautiful story.

With warmth, The Hope Landing Team
