Where Care Feels Like Home

Hello Hope Landing family!

October always brings a cozy sort of excitement here. Sweaters come out, cider starts flowing, and suddenly everything tastes like pumpkin. Our residents have a calendar full of activities and a month full of reasons to gather, laugh, and celebrate the simple joy of being together.

Grab a cup of something warm and check out what's happened this month!

Team Member of the Month

We're excited to celebrate **Maicye** as our newest Teammate of the Month! Though she recently joined Hope Landing, her years of care experience and warm, supportive nature quickly earned her this honor from her teammates. We're so glad to have her on our team!

★ **Resident Spotlight**

Ron

This month, we're happy to shine the spotlight on Ron! Ron recently joined us here at Hope Landing, and his quiet but friendly demeanor has been such a comfort to those around him. He always greets others with a warm smile that brightens the day. We're so glad to have Ron as part of our Hope Landing family!

Team Member Spotlight

We'd also like to recognize **Jordan**, one of our wonderful caregivers! Jordan has gone above and beyond lately—jumping in for impromptu exercise sessions, weekend bingo games, and fun craft activities with residents. Her energy and willingness to make every day engaging and enjoyable truly make a difference. Thank you, Jordan, for all you do!

✿ **In Loving Memory**

We were deeply saddened by the passing of George on October 4. George shared his days here with a gentle humor and a kind spirit that made him easy to enjoy and impossible to forget. He formed meaningful connections during his time with us, leaving a quiet impact on both residents and team members.

Even when someone's chair becomes empty, the place they hold in our hearts does not.

🎉 **October Birthdays at Hope Landing!**

We have a whole bunch of reasons to celebrate this month. It is such a gift to pause and honor the wonderful people who fill our home with care, humor, and heart.

📖 **Quote of the Month**

“Autumn paints in colors that summer has never seen.”

--Unknown

🧠 **Fun Fact**

The name “October” comes from the Latin word “octo,” meaning eight—even though it's the tenth month of the year! That's because, in the old Roman calendar, October was the eighth month.

😄 **Joke of the Month**

Why do jack-o'-lanterns make great friends?

Because they have big smiles and are always willing to light up your day!

🧑‍🎓 **Notes from Joel**

October arrives with lessons tucked into its leaves. As trees let go of what they no longer need, we're reminded of the growth we see here every day—welcoming new faces, adapting to change, and cherishing memories of those no longer with us.

What makes Hope Landing special is this community that consistently shows up—for our residents, for each other, and for the mission we share. Thank you for bringing hope, compassion, and joy to every day.

Here's to a cozy, laughter-filled, and beautiful October together!

— Joel
