## Hope Landing & The Haven

February 2026 Edition

### Where Care Feels Like Home

Hello Hope Landing family!

February may be the shortest month of the year, but it's often one of the warmest in spirit. This month at Hope Landing has been filled with connection, creativity, and moments of joy that remind us how meaningful community truly is. From familiar routines to special seasonal activities, we've enjoyed sharing many moments together.

### February Highlights

#### **Valentine's Crafts & Celebration**

Residents enjoyed Valentine's Day crafts throughout the month, creating thoughtful and colorful projects. These activities sparked creativity, conversation, and plenty of smiles.

#### **Barn Buster's 4H Animal Visit**

One of this month's most loved moments was the animal visit with Barn Busters 4H. Residents enjoyed gentle interactions, laughter, and the comfort these visits always bring.

#### **Pool Trip Outing**

Residents took a trip to the aquatic center pool, enjoying movement, relaxation, and a refreshing change of scenery. It was a wonderful opportunity to stay active and enjoy time together outside of our usual routine.

#### **Movie, Popcorn & Cocoa Days**

From popcorn and movie afternoons to a cozy hot cocoa and movie day, residents had plenty of chances to relax and enjoy shared entertainment.

#### **Music & Floral Workshop**

Music with Marty and a floral workshop added beauty and creativity to the month, filling the building with familiar songs and colorful arrangements.

### Weekly Favorites

Throughout February, residents continued to enjoy many of their favorite activities, including:

Bingo with Sue and Jan, Bunco, Dominoes, Uno, Video Exercise and Group Exercise, Nail Care, Cornhole, Coloring and Creative Crafts, and Bible Study with Jason, John, and Joel

These consistent activities provided structure, familiarity, and something to look forward to each week.

*Swimming at the aquatic center!*

*Enjoying the sunshine!*

*Animal Snuggles*

*Staying Connected*

Families can continue to follow along on our Facebook page to see photos and updates from activities, celebrations, and everyday moments that make Hope Landing special.

### **Team Member of the Month**

This month, we are proud to recognize **Seriena** as our Teammate of the Month! Seriena has such a gentle, caring presence that truly brightens the days of those around her. She connects so naturally with our residents and treats each one with patience and kindness.

Her dependable work ethic and willingness to lend a hand wherever needed make her such a valued part of our team. We are so thankful for the compassion she shows daily and the positive energy she brings to Hope Landing.

### **Resident Spotlight**

This month, we'd like to introduce everyone to **Chris**, one of our newest members of the Hope Landing family. While Chris isn't often able to join us for activities or spend time in the common areas, he is very much a part of our community.

Chris has a condition that keeps him in his room most of the time, but he enjoys having company and would welcome friendly visitors stopping by to say hello. Although he isn't able to respond, your presence, a smile, or a few kind words can still mean so much.

We're grateful to have Chris with us and appreciate the caring spirit that makes Hope Landing such a special place to call home. If you're interested in visiting, please check in with staff and we'll be happy to help coordinate.

### **Celebrating Our Caregivers**

We want to thank our caregivers for the countless ways you show love and dedication each day. Your compassion and teamwork are what make Hope Landing feel like home.

### **February Birthdays at Hope Landing!**

We celebrated a special resident birthday this month:

**Sally**

**Mary Jo**

We also celebrated a staff birthday:

**Misty**

**Joel**

**Darian**

We were happy to celebrate each of these special days with kind words, smiles, and sweet treats from the Hope Landing family.

### **Quote of the Month**

"Love is found in the small, faithful moments we share with one another."

### **Fun Fact**

By the end of February, we gain nearly an hour of daylight compared to early January, a small but welcome sign of brighter days ahead.

### **Joke of the Month**

Why did the banana go out with the prune?

Because it couldn't find a date! 🍌

### **Notes from Joel**

February often reminds us that love is shown in quiet, consistent ways. As I've spent time around the building this month, I've been grateful for the care I see expressed through patience, kindness, and simple acts of service.

Thank you to our team for the heart you bring into your work and to our residents and families for being such an important part of this community. It's a privilege to walk alongside you.

— Joel

### **With Gratitude for February**

As the month comes to a close, we're thankful for every shared moment, every smile, and every connection. We look forward to the days ahead and continuing to build community together at Hope Landing.

With warmth,  
The Hope Landing Team
