

At Home With

Hope Landing & The Haven

May 2026 Edition
Mothers Day Celebration

Where Care Feels Like Home

Hello Hope Landing family!

May has brought warmer days, blooming flowers, and plenty of opportunities to enjoy time together. As spring settles in across Michigan, we've enjoyed a wonderful mix of familiar routines, special visitors, music, and meaningful moments that continue to make Hope Landing feel like home.

From Mother's Day celebrations to music performances and creative activities, May has been filled with reasons to smile and connect with one another.

May Highlights

Mother's Day Tea

One of the highlights of the month was our Mother's Day Tea. Residents enjoyed a special time of fellowship, conversation, and celebration as we honored the mothers who have blessed so many lives with their love and care.

Music Throughout the Month

Residents were treated to several wonderful musical performances, including visits from Paul Christopher, Willie & Friends, Marty and Adriana. Music continues to be one of our most anticipated activities, bringing back memories and creating new smiles.

Floral Workshop with Lindsey

Our floral workshop gave residents a chance to get creative while enjoying the beauty of spring. The arrangements were beautiful, and the conversations were even better.

Movie & Popcorn Days

Movie afternoons remained a favorite this month. Residents enjoyed classics such as Smokey and the Bandit and Remarkably Bright Creatures, along with plenty of popcorn and good company.

Weekly Favorites

Throughout May, residents continued to enjoy many of their favorite activities, including: Bingo with Sue and Jan, Bunco, Dominoes, Uno, Euchre, Trivia, Video Exercise and Group Exercise, Nail Care, Bible Study with Deb and John,

Music Performances, Chair Massages with Marcie
These familiar activities continue to provide comfort, routine, and something enjoyable to look forward to each week.

A Game of Cornhole

*Music from Paul Christopher,
The Lord's Highwayman*

Team Member of the Month

This month, we're grateful to recognize **Andrew** for his dedication, positive attitude, and commitment to our residents. His willingness to help, support teammates, and consistently provide excellent care makes a meaningful difference each day.

Thank you for helping make Hope Landing a place where care truly feels like home.

Resident Spotlight

This month we're shining the spotlight on **Jeannine**! While she is one of our newer residents, she has quickly fit right in. Some of our residents already knew her before she moved to Hope Landing, making her feel right at home.

Jeannine enjoys participating in our exercise classes and spending time with a good book. We are so happy to have her as part of our community!

Celebrating Our Caregivers

To our caregivers: thank you for the compassion, patience, and dedication you bring each day. Your efforts create the environment that allows residents to feel safe, supported, and valued. We appreciate all that you do.

Staying Connected

Throughout the month, families enjoyed seeing photos and updates shared on our Facebook page. We love sharing glimpses of the activities, celebrations, and everyday moments that make Hope Landing such a special place.

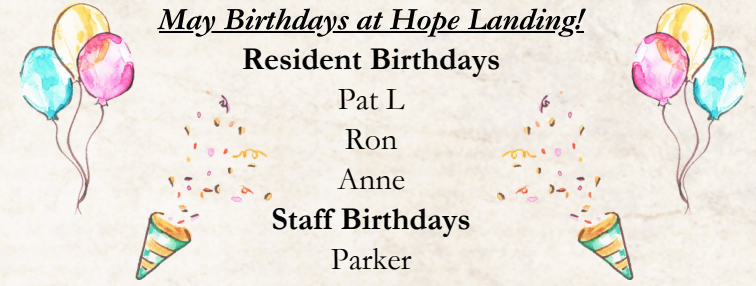

May Birthdays at Hope Landing!

Resident Birthdays

Pat L
Ron
Anne

Staff Birthdays

Parker
Iesha

We loved celebrating these special days with our Hope Landing family and sharing smiles, treats, and well-wishes.

Quote of the Month

"May is proof that beautiful things can grow from a season that once looked bare."

Fun Fact

Did you know? A mature oak tree can produce over 10 million leaves during a single growing season!

Joke of the Month

Why are trees so forgiving?

Because every spring they turn over a new leaf! 🌱

Notes from Joel

May always reminds me to appreciate growth. Not just the kind we see in gardens and flower beds, but the kind that happens quietly in people and relationships.

As I look around Hope Landing, I see growth in the friendships that continue to develop, in the confidence residents build as they participate in activities, and in the countless small acts of kindness that happen every day. Most meaningful things in life don't happen all at once. They happen little by little, through consistency, patience, and care.

Thank you for allowing us to be part of that journey with your loved ones. It is a privilege we never take for granted.

— Joel

With Gratitude for March

As May comes to a close, we're thankful for the memories made, the friendships strengthened, and the moments shared together. We look forward to all that summer will bring and to continuing to make Hope Landing a place filled with warmth, connection, and care.

With warmth,
The Hope Landing Team
